

MagicQ MQ50 Compact Console

MagicQ MQ50 is part of the new generation of compact consoles, ideal for small to medium sized venues. The MQ50 features a 10.1" Multi touch display, while also being carry-on luggage compliant for all major budget airlines.

The console supports 8 universes direct from the console, with 4 assignable physical DMX outputs and a network port for ArtNet and sACN output. This feature packed console also includes WIFI inbuilt to the console for quick and easy connection to ChamSys MagicQ Remote focus application without the need for external networking hardware or any networking knowledge.

MagicQ MQ50 is simple and easy to use for installations, clubs and schools while still featuring advanced features such as MagicVis and MagicHD connectivity. It uses the same software and show formats, enabling compatibility between all products in the MagicQ range.
